# COMMERCIAL FIBERGLASS PLANTERS

CONTEMPORARY COLLECTIONS

THE MODERN

Flexible and resourceful, our designers have created the Modern Series, a core component of our fiberglass collection. It offers crisp, clean lines with unparalleled singular or modular applications.

CONTEMPORARY COLLECTIONS

THE MAREK

Take the simple, clean lines of our Modern planter, add a saucy 2" x 2" toe-kick, and you've intensified some serious visual interest in the Marek planter line—the perfect complement to the Modern's original charm. Besides the Marek's beauty lies a practical benefit, with the toe-kick elevating the planter for easy planting and floor cleaning.

CONTEMPORARY COLLECTIONS

TEXTURAL ELEMENTS

BAXTER | PORTLAND | MADERA

We've garnered all the strength and durability of fiberglass with the warmth and elegance of wood, forging a perfect planter synergy. Our ingenious designers and technicians take hand-selected planks of lightly distressed, aged hickory to create a mold before finishing each fiberglass infused planter with the rich feel of wood. While brandishing the texture of wood, these planters pose none of wood's drawbacks yet still preserve its stunning beauty.

CONTEMPORARY COLLECTIONS

MATERIAL MIX

JAXSON

Blurring the lines between modern and traditional, the Jaxson series blends Madera’s wooden texture with clean line edging, creating a two-tone planter fit for any decor. Rich, wood paneling is available in several stain colors and is crafted from hand-selected mahogany emphasizing its luscious straight-grained design. Sheathed in a sleek edged frame and painted in any of our standard colors, Jaxon delivers a splash of vitality as a captivating multi-material planter.

CONTEMPORARY COLLECTIONS

STACKED STONE

BROCKTON

Derived from a textured wall panel, the Brockton series showcases the look of stacked or ‘planked’ stone, bricks or wood but with the ‘twist’ of fiberglass. It’s alluring layered exterior surface offers distinctive styling to any setting, regardless of design, and the unique texture is sure to make an impression.

CONTEMPORARY COLLECTIONS

FLUTED  
CONCRETE

MASON

Fluted concrete is a common building tool because of its strength, durability and aesthetically engaging texture. With concrete, however, the weight of it is ponderous. Not so our fluted concrete infused fiberglass Mason design. Our craftsman have taken the superior qualities of corrugated concrete and incorporated them into a planter that weighs a fraction of conventional concrete, replacing it with the look of heft without the tonnage.

RIVETING  
INDUSTRY

HUGHES

Dress up cityscapes and commercial exteriors with the industrial-inspired Hughes riveted planter. This heavy duty outdoor container combines the look of weathered with the versatility and durability of fiberglass. Our specialized Armorecoat finish provides the look of rusted steel without being as susceptible to weather, creating a longer lasting planter.

CONTEMPORARY COLLECTIONS

PANELED LOOK

ASHVILLE | ARROYO | KESWICK

Our designers have created recessed paneled square and rectangular commercial planters that combine the rich tradition of wood with a modern material twist. By locating channels, or recessed panels, in just the right spots, each planter series conveys a crisp linear look guaranteed to be noticed in whatever environment they reside. Available as tapered, straight or as benches, the paneled look is both invitational and sedate in mood and style.

CONTEMPORARY COLLECTIONS

THE LUXURIOUS  
LOW BOWL  
AND URN

ROSETTA | MALIBU | BRISTOL | LUNA

Fill contemporary outdoor spaces quickly and luxuriously using fiberglass low bowl planters and urns. These lightweight planters are an exceptional alternative to metal, concrete and wooden planters. Fiberglass is a strong and durable material that allows our designers to create a planter bowl that is lightweight, while remaining as durable as concrete yet as light as plastic.

PAINT FINISH

Matte, Semi-Gloss, Gloss, Sand. 24 standard colors, custom colors available. See color chart on page 50.

TRADITIONAL COLLECTIONS

ROLLED RIM

TUSCANA | SIENNA | PRATO

Taking inspiration from terra cotta and traditional pots, the Tuscana, Sienna and Prato series feature curved sides and a simple trim before being topped off with abundantly rolled lips. In addition, their full-bodied sides give the appearance of vigorous plant growth inside while their soft edges and corners outside suggest abundance and grace to otherwise barren and vacuous commercial spaces.

COLOR OPTIONS

5 standard colors available. See color chart on page 50.

WEATHERED STONE

The Weathered Stone look conveys an elegance similar to stone and concrete yet is set apart from them by displaying a texturally rough and rustic surface. Architects and designers, along with the clients they serve, are drawn to its handsome ruggedness that is both majestic and classic, exuding a heft that is undeniable. Perfect for outdoor and public displays.

CAST STONE

Made to perfection, our Cast Stone planters have been hand crafted by skilled artisans, providing impeccable attention to detail for a natural stone look and feel. Made from Glass Fiber Reinforced Concrete (GFRC), cast stone planters offer a lustrous combination of versatility and customization potential that is as breathtaking as it is constant.

PVC  
PLANTERS

CONTEMPORARY COLLECTIONS

POWERFUL PVC

URBAN CHIC | LAGUNA | CAPE COD

Planters Unlimited's Premier Cellular PVC is a commercial grade material that looks like wood, yet it will not rot or degrade. The material is inherently white although most series can be painted any color. Round or curved shapes are not offered, but we can manufacture custom sized squares, and rectangles can be reconfigured to our exact design specifications.

TRADITIONAL COLLECTIONS

TRADITIONAL COLLECTIONS

MAIN STREET | FRENCH LATTICE | FLAT PANEL  
CARRIAGE HOUSE | RAISED PANEL | CORONADO  
VERSAILLES | LEXINGTON

The traditional PVC series features a detailed trim and beveled edges. The walls of the planter have 2 recessed panels for larger rectangles and one recessed panel on most square sizes. The recessed portion is simple and clean with no detailed molding or bevel. Each design series also have small feet that slightly elevate the planter for a conventional look.

# WOOD PLANTERS

CONTEMPORARY COLLECTIONS

THE WONDER OF WOOD

MUIR | EUREKA | MENDOCINO  
PALO ALTO | PORTER | CRUZ

By adding the natural look of wood to your design scheme, these planters provide an exquisitely earthy ambiance while delivering a reliable commercial planter for small trees and large plants. Line them along walkways, display in lawns or put on hardscapes to add a lush forested look.

CONTEMPORARY COLLECTIONS

# SLEEK STAINLESS STEEL

We make it easy to enjoy the look of a stainless steel planter when combined with the ease of a composite, all in one container. With fiberglass at the core, these sleek commercial outdoor planters showcase the look of solid stainless steel by adding a bottomless slip-over shell. The resulting hybrid metal planter box presents a gleaming lustrous look, creating a sophisticated industrial planter that is as stunning as it is lightweight and durable.

**STAINLESS STEEL COMMERCIAL PLANTER**  
12" x 12" - 60" x 30" x 30"

**BRANDED PLANTERS**  
12" x 12" - 60" x 30" x 30"

**STAINLESS STEEL SLIP-OVER  
PLANTER WITH LINER**  
12" x 12" - 60" x 30" x 30"

CONTEMPORARY COLLECTIONS

# SHEDDING LIGHT ON THE SUBJECT

Illuminated Planters are an up-and-coming, ultra chic modern accessory in commercial design. Using a smart combination of form and function, these modern lighted planters accent your design space while providing a functional light source. Lighted flower pots are well suited to a range of indoor and outdoor applications including along pool decks and walkways, or encircling courtyards and rotundas.

**MESSINA**  
15" x 28" - 22" x 39"

**BELLINI**

COMPLEMENTARY PRODUCTS

# CUSTOM OPTIONS

Being the seller and manufacturer allows us to customize planters to exacting specifications and ensure the planter works for you. Here are a few of our most popular customization options. Custom planters add a special touch to residential settings and commercial projects alike. Custom size planter liners are also an important component of many projects. Because we are the manufacturer, planter boxes and liners in custom sizes and styles are our specialty.

**SAUCERS**  
Drip pans or saucers match the color and style of your planter and catch watering runoff to prevent water damage, puddles, and slip and falls.

**TOE-KICK**  
Add an elevated appearance and improve landscaping ergonomics with a recessed toe kick around the bottom of the planter.

**LOGOS**  
Incorporate custom logo design throughout your property with a monogrammed planter created for your landscape.

**FALSE BOTTOMS**  
Raising the bottom of the planter up via a false bottom reduces planter weight by avoiding excess soil and mitigates water usage.

**CASTERS**  
Add mobility to planters with casters to easily designate and reorganize your space on a whim.

**LIGHTING**  
Add intrigue and provide lighting for paths by incorporating exterior illumination into your planters.

COMPLEMENTARY PRODUCTS

# FIBERGLASS LINERS

Planters Unlimited is a direct manufacturer of custom Fiberglass Planter Liners, customized to your specifications. Fiberglass planter liners are a versatile, cost effective solution for new and existing large planters and the material itself is impermeable to moisture, or waterproof. Planter liners are carefully manufactured to ensure a controlled planting and irrigation. Our commercial fiberglass planter liners will provide a long term solution for lining planters and protecting your investment. We can also custom fit these unfinished planter inserts with irrigation, and drainage holes are included to prevent overwatering.

**Typical applications include: Rooftop Gardens / Parking Structures / Hanging Gardens / Pedestrian Bridges**

**REINFORCED FIBERGLASS LINERS**  
Custom sizes available.

**ROUND WATERPROOF LINERS**  
Custom sizes available.

**OVERSIZED WATERPROOF LINERS**  
Custom sizes available.

**RECTANGULAR WATERPROOF LINERS**  
Custom sizes available.

# PROJECTS

Making custom planters is our forte. No job is too big or small and all design specs are given thorough consideration. Our customer service staff is unparalleled in their ability to assist or solve issues you or your customers might have. Here is a brief glimpse of some of our specialty projects.

# OUR HERITAGE

At Planters Unlimited, we turn your visions into reality! We design and manufacture stunning, well crafted planters for commercial and residential applications. We also offer an array of companion products providing a comprehensive line to accommodate planning your next project. Located in Carlsbad, California, Planters Unlimited is the commercial division of Hooks and Lattice, a window box, exterior shutter, hanging basket, planter, and faux balcony manufacturer, importer, and retailer that has been serving retail customers and wholesale garden centers across the country since 2001.

Our philosophy is one of striving to attain the highest quality in manufacturing, and in all that we do, along with a spirit of collaboration with our clients that builds relationships. Our fully integrated manufacturing capabilities allow us to bring to life the ideas of architects, landscape architects, designers, contractors, homeowners, and more. We enjoy taking on unique requests and delivering results from concept to completion.

We specialize in commercial grade planters in an unlimited variety of shapes, sizes, colors, and finishes. All planters are made to order and the options are endless! Whether your planters require casters, false bottoms, liners, saucers, or water reservoirs, Planters Unlimited can deliver the exact product that meets all of your needs.

Additional companion products include hanging baskets, brackets, dock boxes, and all the artificial foliage you can imagine! Our artificial foliage collection includes hanging flowering vines, shrubs, trees, grass mats, and our extremely popular artificial boxwood hedges and privacy screens.

## PLANTERS UNLIMITED SERVICE COMMITMENT

**Satisfaction guaranteed is our commitment to our customers.**

Through excellent customer service and care, we strive to create a stress free estimation, ordering, manufacturing, and delivery process.

## ESTIMATING

Please contact us directly for detailed estimates and for trade pricing.

## ORDERING AND MANUFACTURING

### PHONE ORDERS

At Planters Unlimited, everything we do is “made-to-order”. Our customer service representatives will provide you with a detailed estimate. Once we receive a signed estimate back we require a 50% deposit. From there, we prepare a shop drawing for your approval before manufacturing begins. Balance payment is due before goods ship.

### ONLINE ORDERS

Orders processed online are billed in full upon purchase. All online transactions at our website are handled with industry-standard SSL encryption. When you enter your credit card number into the order form, it is transmitted across the internet in an encrypted (scrambled) form, then decoded when it gets to us. For added security, credit card numbers are encrypted at all times during your transaction. For online orders with large quantities, you may be contacted by a customer representative for accurate lead time and shipping information.

## SHIPPING

We make every effort to ship your items as quickly as possible. Custom orders can take anywhere from 2-6 weeks based on quantity, customization, and order volume. Smaller items are sent via common carrier, and larger items are palletized and sent via freight carrier.

### CANADA AND INTERNATIONAL ORDERS

Please call us to determine proper shipping and exporting costs.

## RETURN POLICY

At Planters Unlimited we ensure quality products with attention to detail. All of our planters are made to order and therefore non-returnable. We guarantee you will receive them in excellent condition, and we stand behind our products with a one year limited warranty.

Please call toll-free **888-320-0626** to reach one of our design consultants to get started planning your next project!
